Dear GHS Pep Squad Supporter,

GHS Pep Squad is running with our full schedule of sideline, competition and STUNT. We are incredibly excited for the year ahead and need your support! Please consider helping with this year's fundraiser for our continued success. GHS Pep would not be able to sustain all we do without the support of people and businesses like yours. GHS Pep Squad proudly leads school spirit among students, staff and members of our community building awareness and participation at school assemblies, athletic events, community events, and national competitions. Members of the squad work together planning and organizing activities throughout the school year. Pep squad members exemplify strong leadership and serve as potential role models on and off campus. The Pep Squad consists of 47 athletes this year and is made of cheer and song (dance). We have a full year round program between sideline performances at various sports, competition seasons and STUNT. As many schools have experienced cutbacks, our program continues to grow, funds raised through our community outreach campaign have allowed us to continue to compete, perform, lead and inspire. Being on a school team provides athletes with opportunities they might not otherwise have and has proved to increase academic excellence as well. We realize the many donation requests you must get, so on behalf of GHS Pep we'd like to thank you in advance for your consideration. For information about our business sponsorships please contact me directly via the email below. We have enjoyed teaming up with local businesses and creatively posting on our social media! Donation check can be made out to "GHS Pep Squad Boosters". For your records, our Tax ID No. 86-1346462. Thank you again for your generosity and continued support of the GHS Pep Squad!

Sincerely,

Bridget Baumer
